PORTFOLIO

<https://skowronbm.wixsite.com/website-1>

Bartosz is a passionate and proactive team leader who leverages a broad range of experience in architecture, interiors, entrepreneurship across all project phases in his work.

He is a trained architectural professional with over 15 years of experience in high-rise, mixed-use, institutional, retail centers and residential projects of various scales and complexities, internationally and domestically.

As a former co-founder of his own firm he understands the business of running one and brings this experience to his work.

Bartosz's natural leadership skills, coupled with creativity, flexibility, and attention to details make him a dynamic and capable team player in any project setting.
