## **Announcing AIA San Francisco Design Awards Ceremony + Gala**

**AIA San Francisco (AIASF)** AIASF is celebrating excellence in Architecture + Design with one of the chapter's biggest parties. Join the Bay Area's architecture and design community for a momentous evening as we honor this year's Design Awards recipients. Following the ceremony, meet us in the famed Green Room for great conversation and a delectable wine and hors d'oeuvres reception. Toast to the 2019 Honorees and enjoy live music performed by the San Francisco Conservatory of Music.

AIA San Francisco's Annual Design Awards program recognizes the outstanding achievements in architecture and design of 20+ Bay Area individuals and organizations as well as celebrates the distinguished work of architects and related professionals from afar who contribute to the framework of our local built environment.
